## ATTENTION WYOMING EQUALITYCARE PHARMACIES

**WYOMING EQUALITYCARE IS REQUIRING THAT ALL PHARAMCY PROVIDERS FILL OUT AND SUBMIT NEW ENROLLMENT PACKETS. The purpose of the re-enrollment is to make pharmacies aware of new amendments to the agreements and to update any pharmacy information that may have changed recently.**

You must enroll by completing the re-enrollment packet that was mailed either to your pharmacy or corporate office (trading partner). The packet must be returned to GHS by **DECEMBER 31, 2010**. **IF YOU DO NOT ENROLL BY DECEMBER 31, 2010, YOU COULD BE TERMINATED AS A WYOMING MEDICAID PHARMACY PROVIDER.**

If you have a corporate office, please contact them to verify that they are filling out the re-enrollment packet and will submit it by **DECEMBER 31, 2010**.

-If you have already submitted the re-enrollment packet to GHS, please call to verify that the packet was received; or

-If this is your first notice of the mandatory re-enrollment and/or you need a copy of the re-enrollment packet; or
