## **MEDICATIONS NO LONGER COVERED BY WYOMING MEDICAID**

The Centers for Medicare and Medicaid Services (CMS) has determined that effective March 29, 2013, the following non-drug products do not meet the definition of a covered outpatient drug as set forth in Section 1927(k)(2) of the Social Security Act (the Act). As a result, those medications are no longer eligible for inclusion in the Medicaid Drug Rebate Program and will no longer be covered by Wyoming Medicaid.
