Medicaid Pharmacy News

Dear Pharmacies and Providers:

April 14, 2021

COVID-19 VACCINE UPDATE

Due to recent adverse reaction reports and concerns, the Johnson & Johnson COVID-19 Vaccine (NDCs: 59676-0580-05, 59676-0580-15) will no longer be covered through Wyoming Medicaid, effective as of today, April 14, 2021. Claims for these products with a date of service prior to this non-covered date will still be reimbursed accordingly. This change does not affect COVID-19 vaccines available from other manufacturers.

SYSTEM MAINTENANCE

Change Healthcare will be conducting system maintenance starting at 9:00PM MST on Thursday, April 15th through 5:00AM MST on Friday, April 16th. During this maintenance window the Wyoming Medicaid Pharmacy Point of Sale system (NCPDP Bin: 014293, PCN: WYOPOP) will not be available for processing claims. We apologize for any inconvenience this may cause and thank you in advance for your cooperation with this matter.

If you have any questions, please contact the Change Healthcare Pharmacy Help Desk at 877-209-1264.
