Important Pharmacy Enrollment Updates

NEW ENROLLMENT VENDOR

Effective immediately, Wyoming Medicaid has transitioned to a new pharmacy enrollment vendor, HHS Technology Group. This new enrollment system will contain the new provider portal to allow completion of enrollments, re-enrollments, re-validations, and document uploads necessary for each pharmacy's provider file. Documentation such as 835s, EDI's, and other pertinent documents will continue to be maintained and accessible within Change Healthcare's Pharmacy Portal.
