

Medicaid Covered and Rebatable OTC

Run Date: 1/20/2026

This is the Covered OTC list for Wyoming Medicaid Plan 190. Other plans may have limited or no OTC coverage.

Some NDC's may require Prior Authorization.

Note: Some OTC Diabetic Supplies, DME and Nutritionals are covered but not listed because they have UPCs rather than NDCs.

NDC's submitted for OTC claims will be monitored for appropriate NDC utilization. Products dispensed must actually match the NDC submitted or will be referred to Program Integrity for review.

This list is subject to change and will be updated on a regular basis.
